JEFFREY J. GREENBAUM, hereby declares as follows:

1. I am a member of Sills Cummis & Gross P.C., attorneys for Plaintiff Johnson & Johnson Health Care Systems Inc. (“JJHCS”). In accordance with L. Civ. R. 5.3(c)(3), I submit this Declaration in support of the motion of JJHCS to seal the letters and supporting exhibits filed by the parties in connection with the Motion of Defendant Save On SP, LLC (“SaveOnSP”) to Compel JJHCS to Produce Documents from the PAFA+ Database, dated January 29, 2025, with related briefing dated February 12 and February 24, 2025 (ECF Nos. 511, 526, & 554), filed February 5, February 13, and March 11, 2025 (the “PAFA+ Motion”).

2. I make this Declaration based upon my personal knowledge and review of the letters and exhibits. JJHCS seeks to seal portions of ECF Nos. 511, 526, & 554 in accordance with L. Civ. R. 5.3(c).

3. Attached hereto as Exhibits A, B, and C, respectively, are the proposed public versions of the moving, opposition, and reply briefs of the PAFA+ Motion (ECF Nos. 511, 526, & 554). As shown in these exhibits, JJHCS is proposing the redaction of limited information relating to confidential information from the letters and the exhibits thereto. Exhibits A-C also reflect the redactions proposed by Defendants SaveOnSP and Express Scripts, Inc. (“ESI”).

4. L. Civ. R. 5.3(c)(1) requires “[a]ny request by a party . . . to file materials under seal, or otherwise restrict public access to, any materials . . . shall ordinarily be made on notice, by a single consolidated motion on behalf of all

parties . . . .” The single consolidated motion shall include: “(a) the nature of the materials . . . at issue; (b) the legitimate private or public interest which warrant the relief sought; (c) the clearly defined and serious injury that would result if the relief sought is not granted; (d) why a less restrictive alternative to the relief sought is not available; (e) any prior order sealing the same materials in the pending action; and (f) the identity of any party or nonparty known to be objecting to the sealing request.”

5. In support of this motion, JJHCS has prepared an index, attached hereto as Exhibit D, setting forth the information in the PAFA+ Motion sought to be sealed by JJHCS and the basis for the request.

6. No party objects to the sealing of any of the confidential materials subject to this motion.

7. JJHCS filed this action to stop a scheme devised by SaveOnSP and implemented by Defendants Express Scripts Inc. (“Express Scripts”) and Accredo Health Group, Inc. (“Accredo”) from pilfering tens of millions of dollars from the financial support program offered by JJHCS to its patients, the Janssen CarePath Program (“CarePath”). (*See* Amended Complaint, ECF No. 395). The Amended Complaint asserts four causes of action: (1) tortious interference with contract against all defendants; (2) conspiracy to tortiously interfere with contract against all defendants; (3) aiding and abetting tortious interference with contract as to

Express Scripts and Accredo, in the alternative; and (4) deceptive trade practices in violation of N.Y. Gen. Bus. Law § 349, as to SaveOnSP.

8. JJHCS and SaveOnSP entered into a Discovery Confidentiality Order, which was so ordered by the Court on November 22, 2022. (ECF No. 62). Upon being named as defendants, ESI and Accredo indicated their respective consents to be bound by the Discovery Confidentiality Order.

9. During the course of discovery, JJHCS produced various confidential documents pertaining to the administration of the CarePath program, competitively sensitive information, and JJHCS's confidential information. Certain of these documents are attached as or described in exhibits to ECF Nos. 511, 526, & 554 and include confidential emails, spreadsheets, presentations, and other communications.

10. JJHCS designated the production of these confidential documents as Confidential or Attorneys' Eyes Only pursuant to the Discovery Confidentiality Order, as they contain highly sensitive business information. (ECF No. 62).

11. In addition to materials produced by JJHCS, JJHCS also seeks to seal certain confidential materials produced by non-parties TrialCard Inc. (now known as Mercalis Inc.) and RisRx in response to subpoenas served on these non-parties by SaveOnSP in this action. The non-party documents were designated as Confidential – Attorneys' Eyes Only or Attorneys' Eyes Only – Confidential

Health Information and produced pursuant to the Discovery Confidentiality Order in this case (ECF No. 62). JJHCS also considers the non-party documents to contain information confidential to JJHCS, including the administration of the CarePath program.

12. As detailed in Exhibit D, JJHCS proposes very limited redactions to the letters and exhibits that are the subject of this motion to seal. The proposed redactions directly pertain to the discussion of the confidential exhibits identified above that JJHCS has treated as confidential during this litigation.

13. JJHCS asserts that it has a strong and legitimate interest in protecting the propriety of its confidential business information from being disclosed to the public. For that reason, its interest in maintaining the confidentiality of these documents is paramount.

14. JJHCS has continued to safeguard and protect the confidentiality of the confidential materials during the course of this action.

15. JJHCS asserts that disclosure of this confidential and proprietary information to the public would cause it irreparable harm because it would place JJHCS at a competitive disadvantage if its competitors secured the information. Additionally, disclosure of material designated as containing Confidential Health Information would also improperly reveal confidential patient health information

to the public. In short, disclosure of this confidential information serves no useful purpose.

16. Sealing these documents is the least restrictive alternative means of protecting the parties' highly confidential information, as there is no alternative means to protect against the disclosure of this confidential information.

I declare under penalty of perjury that the foregoing is true and correct.
